

RETINA AUSTRALIA ACT Inc.

FUNDRAISER - SUNDAY 15TH NOVEMBER 2015

EXPERIENCE THE THRILL OF RACING

Enjoy the food, fun and fashion at our annual day at the races and help support our ongoing national campaign aimed at raising funds for research into a cure for Retinal Dystrophies. There will be raffles, door prizes, tipping competitions and a guest speaker, and David Kilby will again be our MC. Please join us for an event to remember.

A NEW MEANING TO "SIGHT SEEING"

Our Guest Speaker is Chris Burton, a member of Retina Australia. Chris recently journeyed to Canada with 3 per cent sight - and came back with a revolutionary pair of eSight glasses and vastly improved vision. Come listen to his story - and be prepared to be amazed!!
